Before/After School Care ONLY	Your tuition has been determined based on a schedule of your child's actual school days. Your fee was calculated and divided evenly throughout the school year to determine your monthly fee. This fee DOES NOT INCLUDE insurance. If you take this option, care is not available for your child on delayed openings, early dismissals, & school holidays.	
Before/After School Care WITH Insurance Days	Your tuition has been determined based on a schedule of your child's actual school days. Your fee was calculated and divided evenly throughout the school year to determine your monthly fee. This fee INCLUDES insurance, which guarantees your child care on delayed openings, early dismissals, & school holidays. Care can be offered based on need and availability at our other location(s) when the district is closed for inclement weather. Winter Break and Spring Break are NOT included but may be available contingent on space for an additional cost of \$65 per day.
